### Who are we?

Australian Doctors in Recovery (ADR) is a fellowship of doctors in Australia who are in recovery from addiction to alcohol or other drugs. Every March we hold a conference for recovering doctors in Australia and from abroad. Our 17th Annual Meeting in 2012 sees us return to Novotel Manly Pacific Hotel in beautiful Manly, which is across beautiful Sydney Harbour in the northern beaches suburb of Manly.

Day 1 is the Addiction Medicine Academic Day which Because of the high quality of this CME day, the Academic Day of ADR 17 will be also open to health professionals who are NOT in Recovery. Speakers and program will be announced on the website in late 2011. Day 2 and 3 will be held in one of the function rooms of the Novotel Manly Pacific.

These meetings focus on 12-Step Recovery and how regular attendance at AA/NA means we may never need to pick up a drink or a drug again!

### You and your family are invited!

Many of us have found that attending ADR was an important turning point in our recovery. The peer identification, fellowship, friendship and laughter are all things that newcomers have commented on. Delegates generally attend the private dinner on Saturday night at one of the many fine local restaurants. This is generally an informal & very relaxing evening. Besides ADR there is much to enjoy on a visit to Sydney, Australia's First City.

### Accommodation

The Novotel Manly Pacific Hotel is the venue for ADR 17 and a 5 minute walk from the ferry terminal at Manly which provides an easy link to the Sydney CBD. (20 minutes across the beautiful harbour)
